

## Literacy

Our magic sound is 'S'.

The nursery ladies have been enjoying singing and dancing with the Jolly Phonics, can you sing along too?

<https://www.youtube.com/watch?v=RrIC8M38DNE>

Let's make a cosy den in our garden today, use sheets/planks of wood/cushions-whatever you can find!

Then, pick your favourite Spring time story and snuggle up with a special adult/sibling and share a story in the warm sunshine!

## Health and Wellbeing

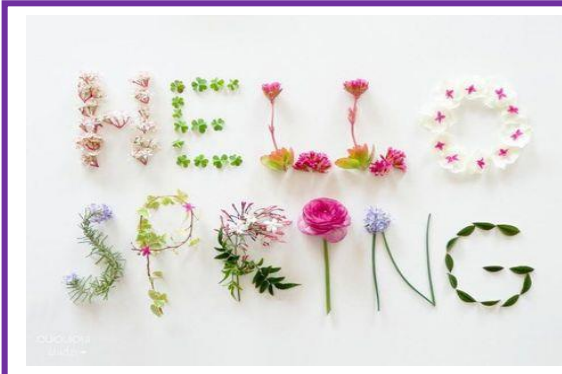

Today let's make a self-portrait using all the beautiful things you found on your walk yesterday! Can you make your face happy? Sad? Angry? Scared? Use a mirror- does it look the same?

## Health and Wellbeing

How are our grass heads looking? Discuss with an adult how to help them grow.

What do they need to be healthy?

## Numeracy

Another fun song the ladies have been enjoying, can you march and count along?

<https://youtu.be/C4V1nMOeDOc>

## Literacy

We can't wait to see your blossom trees boys and girls!

Today, lets add even more detail! Does your tree have blossoms, leaves, where does your tree live?

## Numeracy

Our magic number today is 6

Can you...

Count forwards from 0 – 6

Count backwards from 6 – 0

Challenge yourself-can you read the written numbers (at random)

0 1 2 3 4 5 6

Make a beautiful family keepsake!

Draw around the hand of all the people in your home. Carefully cut them out, stick each hand down-biggest hand first! The ladies would love to see your lovely keepsake.
