

Literacy

Get out 6 pairs of socks. Open them all, mix them up and then see if you can match them up again.

We will upload a video of Mrs Keast and Emily successfully completing the task. Watch out for it.

Health and Wellbeing

Let's get physical today. Stand up, sit down on Sticky kids. Get your family to join in too.

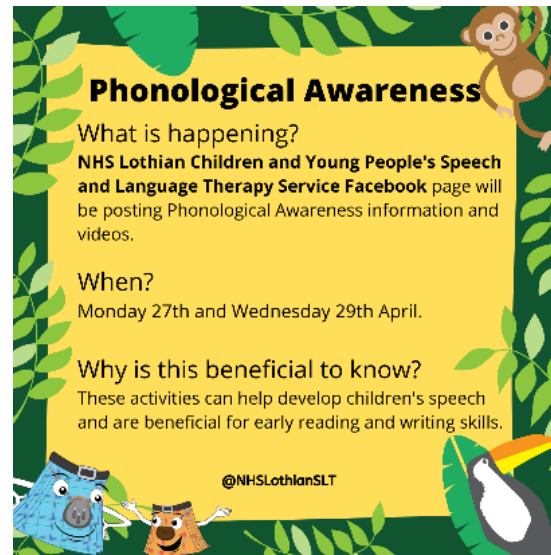

<https://m.youtube.com/watch?v=DCFmFQldnY>.

Numeracy

When you go out a walk with your family have a look for the number 6. Look on cars and doors. How many can you find?

6

Before the holidays you collected ideas in a jar. These were of things you were looking forward to doing. With an adult choose one of these and discuss it. Why did you pick this one? Why are you looking forward to this activity? Write or draw a picture of this in your jotter so that we can all make sure you get your wish 😊

Phonological Awareness

What is happening?
NHS Lothian Children and Young People's Speech and Language Therapy Service Facebook page will be posting Phonological Awareness information and videos.

When?
Monday 27th and Wednesday 29th April.

Why is this beneficial to know?
These activities can help develop children's speech and are beneficial for early reading and writing skills.

@NHSLothianSLT

Can you help an adult to make lunch? See how many things you can cut into 6 pieces.

Health and Wellbeing

This week you have planted some grass heads. Today why not try to decorate the cup that it is in. You can use different resources and materials to decorate, pens, paint, paper etc.

Numeracy

Can you draw 6 flowers and put 6 petals on each flower. Practice your counting as you reflect on your lovely drawings.

Literacy

Let's sing a "s" song.
