Task: You have an allocated game in your Active Learn account (Robot Revenge). Play bronze, silver and gold until you are feeling confident.

If you've forgotten your password, ask an adult to e-mail the school office and we will get this sorted for you.

*More? Ok! Make your own video explaining 12 and 24 hour clocks. Pretend you are explaining this to an alien from outer space and don't miss out a detail! Show an adult at home once you are finished.*

*Even More? Ok ok! Play sumdog. Let's see who gets the highest score today!*

## Art

### L.I. To create texture with a pencil

Texture is the feeling, appearance or consistency of an object or material.

It can be natural or man-made, functional or decorative. Artists try to replicate the texture of the subject to make their work look as realistic as possible.

Practise drawing a texture with a pencil by copying these textured squares.
