Literacy

L.I. To read for information

On Studyladder, log in and find the 'Reading - Biography' section. Please complete the task for your group.

Personification

Alexander Graham Bell – The inventor of the telephone (biography)

Metaphor

Marco Polo (biography)

Alliteration

Popular Authors: Roald Dahl (biography)

Simile

On Studyladder, log in and find the 'Reading - information report' section and complete the Road Safety activity.

Miss Melrose and Miss Hesp can see your scores online so you don't need to submit them to us.

Numeracy

L.I. To recall my tables facts quickly and accurately

Complete the Multiplication check on Sumdog.

Think of the tables that you found tricky or are not confident with and create an inventive way to practise them.

If you feel confident with your tables then you could write fact families for division and multiplication sums. e.g. $6 \times 7 = 42$ $7 \times 6 = 42$, $42/6 = 7$ $42/7 = 6$

Health and Wellbeing

L.I. To identify qualities I admire in a person

Make a fact file about someone you look up to. Your role model could be someone who is famous, or perhaps it is someone in your family that inspires you.

What is it you like best about this person? What qualities and skills do they have that you would like to have? What motivates you to be like them?
