

Class: Primary 2 Numeracy and Maths		
Task 1	Task 2	Task 3
<p><b>L.I. To explore different ways that information is collected and presented and how it helps me</b></p> <ol style="list-style-type: none"><li>1. Have a look at the image on the next page. This can actually also be seen on your activelearn account.</li></ol> <p>Miss Mackinnon has lots of information about her class, including timetables, group lists and rotas.</p> <ol style="list-style-type: none"><li>2. Take some time to look at this and talk about what you can see. You could even write a list.</li><li>3. Create your own 3d model or picture of a room that has lots of different information. Maybe it is a kitchen, and there are things on the fridge or shelves. Maybe it is a shop? Maybe it is a doctors surgery/ hospital? (Adults- we realise that many information would not be displayed in this way for data protection!)</li></ol> <p>Ask a family member to answer your questions based on your information picture.</p>	<p><b>L.I. To use simple questions to gather information</b></p> <p>Log onto Studyladder and find the 'Data, graphs and Statistics' section. Have a go of playing 'use simple questions to gather data'.</p> <p><a href="http://www.studyladder.com">www.studyladder.com</a></p>	<p><b>L.I. To recognise and create symmetrical pictures</b></p> <p>Watch the following video clip on Espresso about symmetrical shapes and pictures</p> <p><a href="https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item883119/grade1/module883106/index.html">https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item883119/grade1/module883106/index.html</a></p> <p>Draw 4 different 2D shapes and add a line of symmetry to them.</p> <p>Challenge – Some 2D shapes have more than one line of symmetry, can you spot more than one line of symmetry on any of your 2D shapes?</p> <p>Extra Task - Log onto Studyladder and find the 'Geometry 2D Shapes' section. Have a go of playing some of the shape games, in particular 'Dividing Shapes'.</p> <p><a href="http://www.studyladder.com">www.studyladder.com</a></p>
