<p>Music L.I. to share my thoughts and feelings about a piece of music</p> <p>Login to Charanga and click onto the 'Friendship Song' Yumu pack.</p> <p>Listen to the remaining 'Listen and Appraise' songs together. Talk about the music using the questions as a guide. Which piece of music was your favourite and why? Did a piece of music make you feel happy or sad? What did you like about each piece of music? What did you not like about each piece of music? Can you tap or clap the pulse along to any of them?</p> <p>Art – L.I. To draw and shade 3D shapes</p> <p>In Maths, we have been learning about 3D shapes. Watch the tutorials below to learn how to draw and shade different 3D shapes.</p>	<p>L.I. to understand how medicines work</p> <p>Write down the names of medicines you have heard of. Sort them into two groups:</p> <table border="1" style="width: 100%;"> <thead> <tr> <th>used outside the body</th> <th>taken inside the body</th> </tr> </thead> <tbody> <tr> <td style="height: 30px;"></td> <td style="height: 30px;"></td> </tr> </tbody> </table> <p>Do you know what these medicines can do to help the body? Discuss this with an adult.</p> <p>Some medicines are creams to put on your skin, some are liquids or tablets to swallow and some are powder in inhalers to breathe into your lungs. It is very important to use these medicines correctly.</p> <p>To keep your body safe, you must follow the instructions from trusted adults when taking medicines.</p>	used outside the body	taken inside the body

<p>L.I. to recognise the importance of caring and love</p> <p>During lockdown there are many people showing that they care for others. For example, refuse collectors are emptying our bins and engineers are making sure we have electricity in our homes. Write a list of at least four more people who are working to care for others during lockdown and either write a sentence or draw a picture to show what they are doing. Challenge- add more to the list as you think of them. How many can you list?</p>	<p><u>L1)Technologies – L.I. To research a figure from the past</u></p> <p>Rube Goldberg was an artist and engineer who enjoyed designing crazy machines to complete simple tasks. Carry out your own research about Rube Goldberg and his amazing designs. Which one is your favourite? The link below will help you get started.</p> <p>https://www.youtube.com/watch?v=MgDF1tyoOvU</p>	<p><u>LI: to make a bed</u></p> <p>Learn how to make your bed in the morning when you wake up.</p> <p>Challenge: Can you learn how to change your bedsheets?</p>

L2)L.I. Design and build a solution to a problem with moving parts

Using what you have learned about levers, pulleys, ramps and wheels/axels, can you design and create a crazy machine in the style of Rube Goldberg?
