  2. Grapes, Strawberries, wooden skewers, orange and Lettuce.

**Date: Tuesday 12<sup>th</sup> May**

Each activity is provided for you to decide what stage your child is at. Choose from number 1-3 depending on your child's stage of learning. Please don't feel like you need to complete it all. We are providing activities to develop and challenge all children.

# 2. Mark making and adding detail

Can you ask an adult write out your chosen shopping list and you can draw each item at the side? Think about the colours you need, shape and size of fruit/vegetable.

# 3. Becoming familiar with letters

Can you ask an adult to write one of the items on the shopping list big enough for you to practice rainbow writing while concentrating on letter formation? Look how your colours change as you write over each letter. Happy writing.
