The tower is in the middle of the city.</p> <p>It has a wall of small, square buttons. One of the buttons is a round, red button that you should never press. It has a long work bench with test tubes and bottles on it. The bottles have strange green and blue liquid inside them. The laboratory has a lift that goes up and down. Above the lift is a sign that says floor 100. It smells a bit like toasted marshmallows in the laboratory.</p> <p>The Crazy Inventor works hard to create new inventions here.</p>
