

Our Wellbeing Story

Each of our Wellbeing Indicator Buddies have a very important job to do to make sure that we are all ok!

Harry Healthy

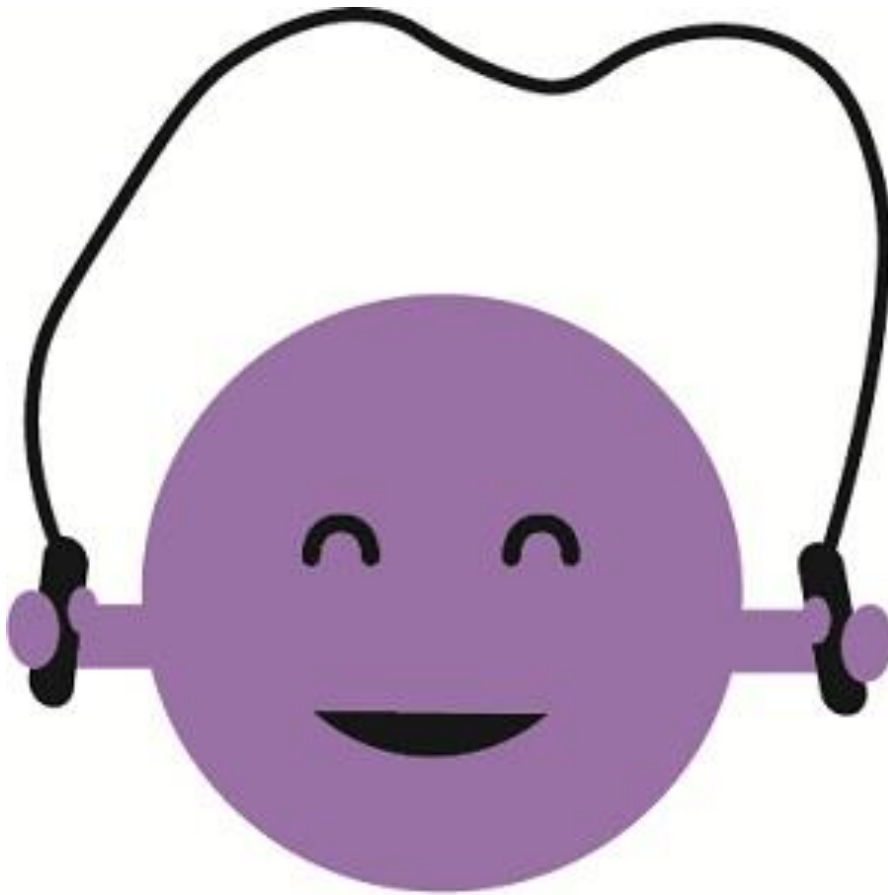

Harry loves to eat Apples, Oranges and Bananas. He keeps himself fit by running and jumping.

Sally Safe

Sally knows that her Mum and Dad help to keep her safe at home. Teachers and the Nursery ladies keep us safe at school.

Adam Active

Adam loves to stay active and do exercise. His favourite activity is running - He is super fast!

Archie Achieving

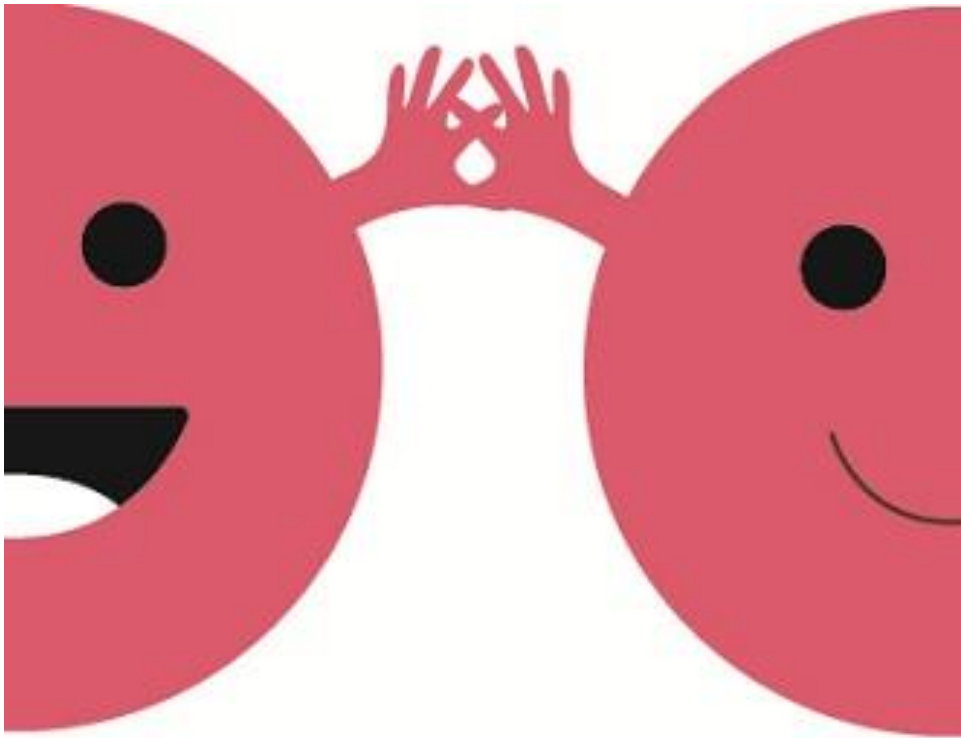

Archie can now count to 10 without using his fingers! He is very proud of himself.

Norman Nurtured

Norman is looked after by his mummy and daddy at home. When he is at nursery the ladies in the nursery also help to keep him safe and well.

Rosie and Ruby Respected

Rosie and Ruby like to play with their friends in nursery, this week they are learning about "under the sea" they have made some great pictures that are now up on the wall.

Rolly Responsible

Rolly has a black cat called "Jess." Rolly helps his mum give Jess her food every day, he also plays with Jess with her toys. Rolly helps to look after Jess.

Iris included

Iris has lots of friends at nursery, they all play games in the garden together. Their favourite game is "duck, duck, goose."
