

Tuesday 2.6.20

TECH TUESDAY

*** Live session on Teams at 11am with Mr Kerr ***

Numeracy

<https://www.bbc.co.uk/bitesize/articles/zd7j2sg> Complete the 5 challenges on the BBC Bitesize site. How did you do? Did you find any question challenging?

L.I. To convert numbers to Roman numerals

Watch <https://www.bbc.co.uk/bitesize/clips/zwjhfrd> What did the Romans do for us.

Then follow the Roman Numerals PowerPoint answering questions as you go.

Writing

L.I. To identify the features of a tongue twister

Open the tongue twisters powerpoint and have a go at practising the examples on the slides. Which tongue twister did you find the trickiest to say?

Now have a go at writing your own tongue twister to share on our Team!

Topic

L.I. To create a piece of art inspired by a Scottish artist

Follow the PowerPoint reading about the Scottish Artists. Answer the 'What do you think?' questions in your green jotter. Then complete one of the 'Activities to Try'
