

Taking away

Write the new amounts. Write your own 'taking away' cartoon.

1.

The bus is full and holds 34 passengers.

8 get off.

7 more get off.

How many passengers are left?

2.

Tom has saved 62p.

He buys a lolly and a drink.

Then he gets a comic.

How much does he have left?

3. My 'taking away' cartoon.

I can keep on taking numbers away
