

Class P1 Numeracy and Mathematics

Numeracy Task 1	Maths Task 2	Number Task 3												
<p><u>Aim:</u> To count in tens off the decade</p> <p>Counting in tens off the decade means counting in tens from a number that does not end in zero, for example 7, 17, 27, 37 etc.</p> <p>You can do this whilst passing a ball, bouncing a ball or doing a sequence of different actions like head, shoulders knees and toes.</p> <p>Can you complete these sequences?</p> <p>8, 18, 28,98</p> <p>6, 16, 26,96</p> <p>4, 14, 24,94</p> <p>3, 13, 2393</p>	<p><u>Aim:</u> To begin to show quick recall of addition sums</p> <p>www.studyladder.co.uk</p> <p>Log onto Studyladder and click on the ‘Rapid Recall Number Program’ for Reception. Choose any of the games listed. Have a go at answering as many adding sums as possible.</p> <p>*Challenge – to challenge yourself, click on the ‘Rapid Recall Number Program’ for Year 1 and see how many adding sums you can complete here in any of the games.</p>	<p><u>Aim:</u> To further develop understanding of 2 digit numbers</p> <p>When you are outside try to spot the numbers in this number scavenger hunt. It is in a larger font on the next page. Hint: Look at house numbers and car number plates.</p> <table border="1" data-bbox="1458 635 2112 954"> <tr> <td>An odd number less than 50</td> <td></td> </tr> <tr> <td>An even number more than 50</td> <td></td> </tr> <tr> <td>A number between 10 and 20</td> <td></td> </tr> <tr> <td>The number 69</td> <td></td> </tr> <tr> <td>A number smaller than 10</td> <td></td> </tr> <tr> <td>A number that ends in 3</td> <td></td> </tr> </table>	An odd number less than 50		An even number more than 50		A number between 10 and 20		The number 69		A number smaller than 10		A number that ends in 3	
An odd number less than 50														
An even number more than 50														
A number between 10 and 20														
The number 69														
A number smaller than 10														
A number that ends in 3														

An odd number less than 50	
An even number more than 50	
A number between 10 and 20	
The number 69	
A number smaller than 10	
A number that ends in 3
