

P2 Numeracy

(Friday)

This week's focus is:

Bonds to 100/ Subtraction/ Money/

Task 1 -

The teachers have some savings jars for their coins. See the next page.

Draw the possible coins that could be in the jars.

Who is closest to £1. How much more does that person need to make their £1 target.

Task 2 -

Design a new note or coin.

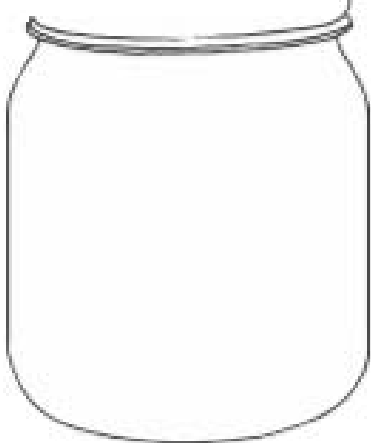

It can be for any value you wish.

Find out about notes and coins around the world. Your images must show something about the country they are for- it could Scotland or another country.

Draw possible coins you could use to make the amounts shown in each teacher's saving jar.

Miss Morland

36p

Miss Purdie

91p

Miss Johnston

59p

Mrs Cook

43p

Miss Craig

62p

Mrs Messenger

88p

EXTENSION- What coins could someone give Miss Morland to help her have **DOUBLE** Miss Craig?
