

# Pre-school leavers task

We are preparing a video to celebrate the children moving onto primary 1. This will be shared on the blog and through our 'REMIND' app. Please only complete this task if you agree for your child's drawing to appear on the video clip, thank you.

## Adults

- Can you ask your child what they would like to be when they are older? We always get some interesting and funny answers when we ask this.
- Ask your child to draw a picture of themselves doing this job (don't help them, we love the children's own work)
- Please take a photo of their drawing.
- Send this to us on 'Remind' with a message telling us what they would like to be (using the exact words they tell you)
- If you cannot send this on 'Remind' please let us know during your next phone call from us and we will help you do this.
- Please complete this by Friday 12<sup>th</sup> June, thank you.

## Children

- Have a little think about what kind of job you would like to do when you grow up.
- Tell your adult this.
- Complete a drawing of yourself doing the job, remembering to add some detail.
