

WINDYKNOWE PRIMARY SCHOOL RIGHTS RESPECTING SCHOOL WEEKLY CHALLENGE

Article 28 – the right to education

Every child has the right to an education. Primary education must be free and different forms of secondary education must be available to every child. Discipline in schools must respect children's dignity and their rights. Richer countries must help poorer countries achieve this.

Activity 1

Schools and teachers do so much more than teach you facts. Think of every thing that happens at your school – how the adults look after you and how you look after each other. Now write a 'recipe' for a Rights Respecting School. What are the ingredients e.g. respect, safety. How do you mix them together to create the best rights respecting learning environment

Activity 2

Teachers and learners go together! Think about what makes a good teacher and learner? Invent a cartoon character to represent them. What makes them so great?
