## Rights Respecting Schools

### WINDYKNOWE PRIMARY SCHOOL RIGHTS RESPECTING SCHOOL WEEKLY CHALLENGE

Article 28 – the right to education

Every child has the right to an education. Primary education must be free and different forms of secondary education must be available to every child. Discipline in schools must respect children's dignity and their rights. Richer countries must help poorer countries achieve this.

Activity 1

Draw an outline of your ideal teacher and surround it with words that describe what that teacher is like.

Activity 2

Think about your own learning in school and outside of school with an adult.

What do you love learning about the most?  
What are you good at?  
Or would like to be better at?  
How do you learn best?
