

# The Mystery of the Missing Sunglasses

All of the emojis know Cool Emoji. He's a calm and relaxed guy who's often being kind and helpful. Everyone knows him by the trademark sunglasses he always wears, whatever the weather.

On a hot and sunny day, Cool Emoji went for a swim to cool down. But while he was swimming, something awful happened... Another emoji stole his sunglasses from the side of the pool! Now Cool Emoji is too upset to even leave the house, saying that it's too bright outside and no one will recognise him without his shades!

As Chief Detective on the case, it is your job to find out which emoji took Cool Emoji's sunglasses. You have taken down the names and descriptions of ten emojis who were at the swimming pool when the sunglasses disappeared. You also have five important clues to find along the way.

To crack the case, you will need to solve each clue and check the information with the list of names. Will you be able to solve the mystery and find out who stole the sunglasses?

**Good luck!**

# Clue 1

## What's the Scoop?

Drips of ice cream have been discovered by the side of the pool! Can you add the correct punctuation to the sentence scoops and draw lines to show what kind of sentence they are? The sentence form that is used the most will show the flavour of the drips found at the scene of the crime and the emoji's favourite flavour.

Find the emoji responsible and punish them\_

Who would do such a thing\_

What can we do to cheer up Cool Emoji\_

Keep looking until you have found them\_

Do you think it was an accident\_

What a terrible crime to commit\_

How sneaky they are to have done it\_

How can I help to solve the mystery\_

### Question

If **question** is used the most, the emoji's favourite flavour is **chocolate**.

### Exclamation

If **exclamation** is used the most, the emoji's favourite flavour is **strawberry**.

### Command

If **command** is used the most, the emoji's favourite flavour is **vanilla**.

The sentence form used the most is \_\_\_\_\_ so the emoji's favourite ice cream flavour is \_\_\_\_\_.

# Clue 2

## Mouthy Emojis

All the emojis have a different reason why they couldn't have stolen the sunglasses. But their reasons are missing some full stops or capital letters. Can you write out the corrected reasons in the correct box to reveal whether the emoji has its mouth open or closed.

It wasn't me. i was  
in the shower.

I didn't do it We're  
best friends.

I only wear sunglasses  
on sunday.

I can't believe  
someone would do  
this to him in july!

we were in the cafe  
eating cake.

Why would I do it?  
i've already got a pair.

I was with my  
mum all day You  
can ask her

I'm too lazy to make a  
plan like that

### Full Stop

If the most reasons were missing **full stops**, the emoji's mouth is **open**.

### Capital Letter

If the most reasons were missing **capital letters**, the emoji's mouth is **closed**.

The most common correction is \_\_\_\_\_ so the emoji's mouth is \_\_\_\_\_.

# Clue 3

## Eyes Wide in Amaze-ment

What kind of emoji would steal from their friend?! Read the words that describe the emoji's expressions and decide which suffixes can be added to create new words. Sometimes the spelling of the root word will need to change. More than one suffix may fit with each word. The suffix that is used the least will show whether the sunglasses thief's eyes are open, winking or closed.

Expression	-ly	-ness	-ment
happy			
laugh			
nervous			
sleepy			
silly			
sad			
scare			
good			
embarrass			
cry			

### -ly

If **-ly** is used the **least**, the emoji's eyes are open.

### -ness

If **-ness** is used the **least**, the emoji's eyes are **winking**.

### -ment

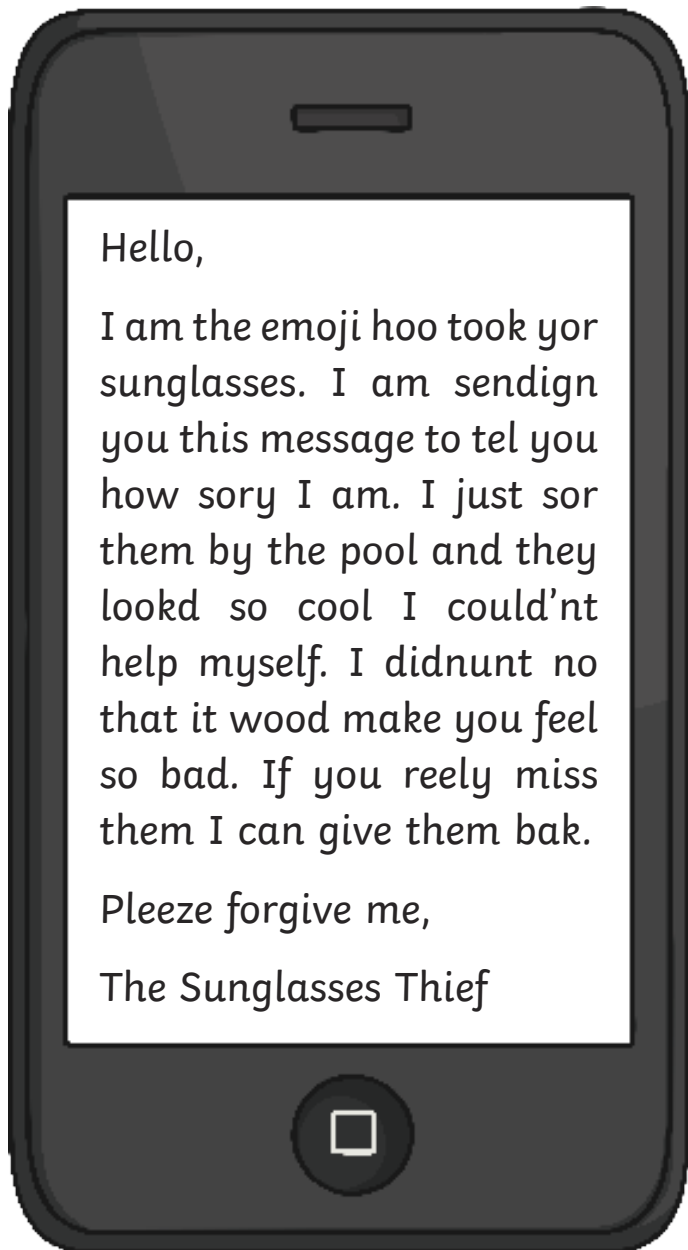

If **-ment** is used the **least**, the emoji's eyes are **closed**.

The suffix \_\_\_\_\_ is used the least so the emoji's eyes are \_\_\_\_\_.

# Clue 4

## Terrible Texting

Cool Emoji has been sent a text message from the emoji who stole his sunglasses! But the thief is not very good at spelling... Circle the words that are spelt incorrectly and then write the corrected spellings below. The number of words will show the house number of the emoji.

### Corrected Words

There are \_\_\_\_\_ words spelt incorrectly so the emoji's house number is \_\_\_\_\_.

# Clue 5

## An Un-expected Ending

The emoji who stole the sunglasses has agreed to meet you and Cool Emoji at a secret place to give back the sunglasses. Follow the path by adding the prefix un- to the beginning of words that make sense, to find out where you will meet.
